

HOSPITALITY

The privileged space to take full advantage of the race in exceptional conditions.

For the seventh time, Le Mans Series cars will run at the Silverstone race track on the 09 – 11 September 2011.

Created in 1923, the 24 hours of Le Mans, the most famous Endurance race in the world, conveys outstanding sportsmanship, challenges and technological values.

This historic race will set yours and your clients' heart racing with excitement, together with the decadent surrounds of our brand new facilities you won't fail to impress and give your guests a day to remember.

This year's event will operate from The Silverstone Wing. This spectacular new facility, measuring 360 meters in length and 30 meters at its highest point, will further enhance Silverstone's position as a premier racing destination, providing world class facilities for teams, officials and spectators alike.

Be amongst the first to experience hospitality in this ultramodern venue with balcony viewing looking out over the start/finish straight and access to a VIP grandstand with fantastic views of the first corner (Abbey) up to Farm Curve. Dine on first-class food with flavors from around the world and enjoy a fully inclusive bar including champagne all day.
